# Projectors Overview

- Mid Range Ultra-portables
  - XD470, XD510, XL9U
- Premium portables
  - XL550U, XL650U, XD460U, XD490U, HL650U
- Widescreen units
  - HD1000, HD4000, WD2000, WL639U
- Installation units
  - XD1000U, XD2000U, XL5900U, XL5980U
- Home Cinema
  - HC1100, HC4900, HC6000

## Mid Range Ultra-portables: XL9U

- 2000 ANSI Lumens
- XGA resolution
- Dual data inputs (XL9U only)
- 2.7kg
- Upto 5000 hour lamp life
- Password function
- Natural Colour Matrix™
- sRGB - for excellent colour balance
- User Logo Function
- Card style remote
- Optional full function learning remote
- Vertical Keystone Correction

## Mid Range Ultra-portables: XD500U

- 2200 ANSI Lumens
- XGA resolution
- LCD technology
- Dual data inputs
- 6 segment colour wheel
- 2.7kg
- Upto 3000 hour lamp life
- Password function
- Natural Colour Matrix™
- sRGB - for excellent colour balance
- User Logo Function
- RGB with Component Video and SCART compatibility

## Mid Range Ultra-portables: XD510U

- 2600 ANSI Lumens
- 6 segment colour wheel
- XGA resolution
- 2000:1 contrast ratio
- DLP™ technology
- BrilliantColour technology™
- Upto 4000 hour lamp life
- Reinforced anchor bars
- Password protection
- Filter free design
- Side access lamp
- Instant shutdown

## Premium Portables: XL550U / XL650U

- LCD Technology
- 3100 Ansi Lumens
- 400:1 Contrast Ratio
- Upto 5000 hour lamp life
- With Side Loading lamp

- LCD Technology
- 4200 Ansi Lumens
- 600:1 Contrast Ratio
- Upto 5000 hour lamp life
- 4.7 Kgs Weight

## Premium Portables: XD460U / XD490U

- 2600 / 3000 ANSI lumens
- XGA resolution
- 2500:1 contrast ratio
- Upto 5000 hour lamp life
- New TI DarkChip3™ with DDP3020
- Brilliant Colour™
- sRGB
- Vertical lens shift
- 2.9kg
- Horizontal & vertical digital keystone correction
- Optional wireless adapter
- Password lock

## Premium Portables: HL650U

- 3100 ANSI lumens
- SXGA+ resolution
- 600:1 contrast ratio
- LCD technology
- sRGB
- Upto 5000 hour lamp life
- Side loading lamp
- Password menu lock
- Network ready
- Built-in anti-theft anchor

## Wide-screen: HD1000/HD4000

- 1500 ANSI lumens /2000 ANSI Lumens
- WXGA Resolution
- 2500:1 contrast ratio
- Upto 5000 hour lamp life
- HD ready
- Versatile input terminals
- Brilliant Colour™
- Ultra quiet operation 25dB (eco mode)
- Horizontal & vertical digital keystone
- Password Lock
- 2.9kg

## Wide-screen: WD2000

- 3000 ANSI lumens
- WXGA resolution
- 2000:1 contrast ratio
- Upto 5000 hour lamp life
- HD Ready
- 8.5kg
- New TI DarkChip3™ with DDP3020
- Brilliant Colour™
- Motorised lens shift
- Cable management rear cover
- Optional lenses

## Install: XD1000U/XD2000U

- 3000 / 3500 ANSI lumens
- 4:3 ratio (16:9 through anamorphic mode)
- 2000:1 contrast ratio
- DLP™ technology
- Upto 5000 hour lamp life
- New TI DarkChip3 with DDP3020
- sRGB
- 8.5kg
- Bayonet lens mount
- Optional lenses
- Motorized horizontal & vertical lens shift
- Cable management

## Install: XL5900U / XL5980U

- 4000 / 5500 ANSI Lumens
- XGA resolution
- 9kg
- Upto 2000 hours of lamp life
- Natural Colour Matrix™
- sRGB
- Dual PC and Video Inputs
- Dual RS232 inputs
- Horizontal and Vertical Lens Shift
- 600:1 contrast
- Optional lenses

## Install: XL1550U/XL2550U

- 3100 / 4000 ANSI lumens
- 1024 x 768 resolution
- 3 LCD technology
- 400:1 / 600: 1 contrast ratio
- Colour enhancer
- 5000 hour lamp life (eco)
- 4.5kg / 4.7kg
- Side access lamp
- Password lock and security anchor
- sRGB
- Vertical and horizontal keystone correction
- Optional lenses

## Install: FL7000U

- 5000 ANSI lumens
- 1080P High Definition
- 1000:1 contrast ratio
- Split screen feature
- 4000 hour lamp life
- Colour Enhancer
- Optional lenses
- Networkable
- sRGB
- Password lock
- Anti theft alarm

## Home Cinema: HC4900/HC6000

- 1000 ANSI Lumens
- 3LCD technology
- Full 1080p HD Ready
- Up to 5000 hours of lamp life
- 7,500:1 / 13,000:1 contrast ratio
- Dynamic iris control
- Easy lamp access
- Low fan noise of 19dB
- HDMI and DVI

# LCD RANGE: 32"

- Fast response times
- WXGA resolution
- HD Ready
- 12000:1 Contrast ratio
- High brightness and contrast
- Wide viewing angles
- Low light reflection
- Scheduling function
- Landscape or portrait format
- Self diagnosis & monitor control
- Screen saver function
- Natural Colour Matrix™
- Designed exclusively for public use

# LCD RANGE: 42"

- Fast response times
- WXGA resolution
- HD Ready
- 12000:1 Contrast ratio
- High brightness and contrast
- Wide viewing angles
- Low light reflection
- Scheduling function
- Landscape or portrait format
- Self diagnosis & monitor control
- Screen saver function
- Natural Colour Matrix™
- Designed exclusively for public use

# LCD RANGE: 46"

- Fast response times
- WXGA resolution
- 1080P Full HD 46" only
- High brightness and contrast
- Wide viewing angles
- Low light reflection
- Scheduling function
- Landscape or portrait format
- Self diagnosis & monitor control
- Screen saver function
- Natural Colour Matrix™

## Large Format Display Walls

- Mitsubishi large format display systems use the latest DLP and LED technologies for control room, corporate and public display projects
- 50" & 67"
- Available in XGA & SXGA+
